ENGOUNTER OF MARINERS.—Séveral days to 45c.; per bushel, \$1.75 to \$2; new sweet ago the schooner "Orbit," which came to potatoes, 10c, per quart, or two quarts for this port loaded with lumber, was libeled 15c. Market pretty well supplied. Beets, for the wages of the mate. Colonel Nye, four to five cents per bunch. Cymlins, Deputy United States Marshal, placed the 12½ to 15c. per dozen. Tomatoes for stewvessel under the care of its captain, George court. Mr. Michael Welsh, of Baltimore, part owner of the vessel, hearing of the condition of things, came down here from Baltimore to look after his interests, and on Friday went aboard of her and had some talk with Dobbins. The result was the talk grew into a quarrel, and from the quarrel eventuated a fight, during which Dobbins drew a pocket-knife and gave Welsh a pretty sharp cut in the back. A warrant was procured, and Dobbins was arrested by officer Wren. He was brought before Police Justice White on Saturday morning and examined. He attempted to prove as a justification for the cutting that Welsh had gone into the cabin and undertaken to remove a clock therefrom, but utterly failed to do so. and was sent on to the grand jury of the Hustings Court at its September term. Buil was allowed in the sum of \$500, but he could not give it, and consequently was committed to jail. The libel has been dismissed, and Dobbins has been removed from the captainey of the "Orbit."

CHURCH REPAIRS COMPLETED .- The repairs to the Mt. Zion (colored) Baptist church, of which Rev. John Jasper is pastor, have been completed. The congregation of this church have been worshipping in the building formerly known as the Duval-Street chapel, purchased by them about four years ago at a cost of \$2,225. They have recently made an addition and put the church editice in thorough repair, at a cost of about \$5,250. The work was given to J. E. Farrar in April last, and it has now been completed satisfactorily to the church members. The congregation was kept out of the church only one Sabbath during the progress of the repairs. The re-dedication of the edifice will take place on the third Sunday in this month at 11 o'clock A. M., and the dedicatory sermon will be preached by Rev. R. Wells, pastor of the Ebenezer Baptist church. The congregation of Mt. Zion church are still in need of funds to pay for the recent improvements, and they respectfully call on all who are friendly to them, both white and colored, to aid them by their contributions.

CONTINUED .-- George Bryant, charged with stealing a horse of the value of \$100, the property of Dr. George K. Gilmer, of Henrico county, was brought before the Police Justice Saturday morning. In consequence of the non-attendance of certain important witnesses, who reside in Cumberland county, the case was continued to the 18th instant, and the accused recommitted to jail, and proper steps were directed to be taken ng the witnesses wanted court.

CITY PROPOSALS .- The Council Committee for the Relief of the Poor will receive proposals until to-morrow for furnishing the city almshouse for the ensuing quarter with fresh beef, sugar, pork, vinegar, flour, &c. Sealed proposals will be received at the City Engineer's office until Friday for the tinning, plumbing and gas-fitting, plastering and painting of the armory of the Richmond Howitzers, in the City Spring lot. Sealed proposals will also be received at the same office until Wednesday for furnishing the city mules and horses with feed, provender, &c., for three mouths.

THE PYTHIAN TEMPLE. - The scheme adopted for the purpose of erecting a Pythian temple in this city is now in operation. At a recent meeting of the Pythian Committee General Peyton Wise was elected president, Captain John F. Mayer vice-president, and H. C. G. Hartman treasurer. At the next meeting of the committee the secretary will be selected. A committee of three, consisting of General Wise, W. H. Wade, and Captain Charles F. Taylor, was appointed to present and explain the scheme to the various Pythian lodges.

"Mozis" AND "CATAWBA."-Our readers will remember well the pleasant entertainment given this spring at the Virginia Opera House by Dr. Bagby and Mr. Cowardin, for the benefit of the Louisiana sufferers. Their friends have induced them to give another (for their own benefit), and on Thursday evening next they will present a programme which we are sure will prove pleasing. Mozis will give some of his best sketchesamong them "Fill Joanses" and "The Catawba will norate upon the Red sea, will tell some sailors' yarns, and give his "Chapter from George Francis Train." Let them have a full house by all means. The "stay-at-homes" cannot take mineral water, but they can have what will serve them as

well-a good laugh. SCOTTISH GAMES AT THE FAIR-GROUNDS .-The Caledonian Club of this city will, it is said, give an entertainment at the State Fair-Grounds early in September, at which various Scottish games and pastimes will be introduced. It is intended by the committee of arrangements that the affair shall be in all respects highly interesting and attractive.

THE ELECTIONS IN NORTH CAROLINA-BEGATTA, HAIL-STORM, &C. [Special telegram to the Dispatch.] PORTSMOUTH, VA., August 8.-A fearful death-blow has been given to civil rights in the First North Carolina congressional district. C. L. Cobb has been summarily dealt with. Victory has perched upon the banner of the white man's party, and J. J. Yeates, of Hertford county, is triumphantly elected to Congress. In the counties heard from glorious has been the achievement. In Pasquotank, Cobb is supposed to have lost

450 votes; in Perquimon's, 280; in Calhoun, 100; in Washington, 500; also heavy losses in Hertford and Bertie counties. In Giles, the banner county of the district, Yestes has the handsome majority of 500, and the Hon. M. L. Eure, congressional candidate for judge of the First judicial district, the unprecedented majority children to act as elerks. Main street, general assortment of household of 900 over the Radical candidate, Albertson. From the counties heard from we can without doubt conclude that the Conservatives have carried, by handsome majorities, the First congressional and the First judicial
